Dear Miss Sandy, Mr. Jim and all the American Montessori teachers,

Thank you for all you have done to care for and teach our children over the past 3 years. Emily and Thomas loved all the art projects, play time, story time, movies, music, dancing and fun. They met lots of great friends.

You provided a safe and fair environment for our children to grow and learn. All you have done will help to shape Emily and Thomas for a great future.

We wish you great success, and we would be happy to recommend the American Montessori to any family.

We will miss you.

With our heartfelt appreciation,

Karen and David Bull
