

Dear Sandy and Jim,

08/30/2005

Kevin and I would like to thank you and all of your staff for the years of education and support you gave to Kaitlyn. She started with your program at the age of 18 month and is now ending your program at 6 years of age. I would like to thank you all for all of the support you gave Kaitlyn and my family through deaths in the family and bringing a new addition to our family which can be quite overwhelming to little people. Kaitlyn has grown to be a young lady with all of your help and support always letting her know that she is special in her own way and to keep up the good work. In the time period that she has been with your program she has advanced herself in math and in Spanish and also working very hard on her reading skills. She is very close to all of her teachers and quite fond of them. We would like to thank you and all of the staff for all their love and nurturing they have showed Kaitlyn making her a stronger and more responsible person. If you need a person for a referral for your school please call me anytime you are in need of one. I am looking forward for my other child Kyler to join your program in December of 2005. Kaitlyn's last day of school will be September 1<sup>st</sup> 2005.

Sincerely yours, Kevin and Kandy Nash
